

Highway 7 Corporate Center Fall 2009 Update

Welcome!

In an effort to continually improve services and communicate effectively with all tenants, Real Estate Recycling (RER) presents the Hwy 7 Corp. Center Update. This newsletter will be routed by e-mail to the point of contact at each business. We encourage you to share this publication with all your team members. As we move forward, your thoughts and suggestions on improvements to the Newsletter are welcome!

Center Update

Thank you to everyone that filled out the 2009 tenant survey. The survey results were encouraging—our management team has made significant improvements from last year according to the survey results. Thank you for all your comments. Please keep us up-to-date throughout the year with any questions or concerns to help us ensure we are providing the best property management for our tenants!

Tenant Profile

RER Management would like to welcome Kass Clinics, the first tenant at the Lake Street Office Center!

Kass Clinics is dedicated to offering the latest non-surgical procedures in cosmetic care and vein therapy.

Founders Dr. Sidney Kass and Bonnie Kass, RN, bring together over fifteen years of pioneering experience and a commitment to quality patient care.

We are thrilled that Kass Clinics has chosen Lake Street Office Center as place to conduct their business. *Welcome!*

News

You are invited to attend:

Becoming Green Stewards
How Building Owners and Non-profits Can Protect the Environment and Cut Costs through Energy Efficiency & Renewable Energy

At this free workshop you'll find out how to take the next steps to help make budget dollars go further while also being a good steward of our planet. In addition, you will learn more about the Energy Innovation Corridor, and have the opportunity to discuss next steps with energy experts.

RER Management will be attending this Energy Workshop. We are always looking for ways to increase efficiencies and decrease operating costs for our tenants. We hope to see you there!

When: Tuesday, November 10, 2009
From 1:30-4:00PM

Where: Wilder Center, 451 Lexington Pkwy N, St. Paul, MN
