

Twin Lakes Business Park Fall 2009 Update

Welcome!

In an effort to continually improve services and communicate effectively with all tenants, Real Estate Recycling (RER) presents the TLBP Update. This newsletter will be routed by e-mail to the point of contact at each business. We encourage you to share this publication with all your team members. As we move forward, your thoughts and suggestions on improvements to the Newsletter are welcome!

Park Update

The ice cream social hosted at the end of the summer was a great success!

RER Management would like to thank Caribou Coffee for hosting the event. Thanks also to everyone who was able to attend. It

was an excellent opportunity to get to know the neighbors in the park. Please let us know if you

have any suggestions for future tenant events!

Tenant Profile

Wagner Spray Tech is headquartered in Plymouth, Minnesota. Wagner serves the consumer DIY market and the professional contractor alike, with products designed to make it easier for the end user to prepare, apply, or clean up painting tasks. Planning some indoor painting projects this fall? Give Wagner a call!

News

You are invited to attend:

Becoming Green Stewards
How Building Owners and Nonprofits Can Protect the Environment and Cut Costs through Energy Efficiency & Renewable Energy

At this free workshop you'll find out how to take the next steps to help make budget dollars go further while also being a good steward of our planet. In addition, you will learn more about the Energy Innovation Corridor, and have the opportunity to discuss next steps with energy experts.

RER Management will be attending this Energy Workshop. We are always looking for ways to increase efficiencies and decrease operating costs for our tenants. We hope to see you there!

When: Tuesday, November 10, 2009
From 1:30-4:00PM

Where: Wilder Center, 451 Lexington Pkwy N, St. Paul, MN

To register contact Jenny Wietecki
